HD Box Scraper

HEAVY DUTY PERFORMANCE FOR DEMANDING CONDITIONS

Designed to move larger amounts of soil at one time, the rugged HD Box Scraper from IronWolf is available with cutting widths ranging from 10-ft to 16-ft, and offers a convenient tilt option.

When you've got a tough job to do, the new HD Box Scraper from IronWolf gets it done easier and faster than ever before.

It comes equipped standard with walking tandem axles for smoother operation, making the HD Box Scraper ideal for laser and GPS leveling.

Purpose-built for demanding conditions, the HD Box Scraper is designed to be used with larger tractors of 150 horsepower or more.

All models from IronWolf come equipped with commercial hydraulic cylinders, hoses, rugged aircraft tires, a greaseable swivel clevis hitch, and a side-wind jack.
