MODERNITÀ E TRADIZIONE

Sveden racchiude in sé sicurezza e affidabilità, modernità e tradizione, amore per le proprie radici e slancio verso nuovi paesi.

Sveden è un connubio perfetto e all'altezza di competere a tutti i livelli sul mercato nazionale e internazionale.

Una realtà aziendale dedicata alla costruzione e vendita di strumenti e articoli per chi opera nel settore dell'edilizia, dell'agricoltura e della ferramenta.

STORIA

Sveden è una realtà aziendale in continua evoluzione.

Con l'acquisizione dello storico marchio IL CAVALLO, che fin dal 1850 ha identificato prodotti di alta qualità nel settore dell'edilizia e dell'agricoltura, e quella più recente del marchio DTM, conosciuto per le famose intonacatrici e tagliapiastrelle, Sveden è diventata un punto di riferimento degli utensili "Made in Italy".

L'azienda ha la propria sede operativa a Primaluna in provincia di Lecco, zona famosa per la lavorazione del metallo.

È IN MANI SICURE

QUALITÀ E TECNOLOGIA

Sveden, in 50 anni di attività, ha conquistato una posizione di prestigio nell'ambito degli articoli per edilizia. L'elevato livello di qualità e la costante attenzione al servizio offerto ai nostri clienti, ci permettono di mantenere questo ruolo.

La nostra mission è "semplificare la vita" a chi utilizza i nostri attrezzi, il nostro metodo è creare prodotti professionali, resistenti e affidabili.

Le sfide sono nuove, la tecnologia è all'avanguardia, ma i valori di fondo sono gli stessi: la produzione artigianale, i severi test e la continua ricerca di soluzioni innovative, garantiscono la qualità che da sempre contraddistingue i prodotti SVEDEN - IL CAVALLO.

PASSIONE E SERVIZIO

L'elevata specializzazione dei prodotti è dedicata alla passione dei nostri clienti che con arte e sapienza scelgono la nostra azienda ritrovando la stessa passione nel servizio effettuato dai nostri addetti.

L'assistenza professionale e personalizzata per ogni cliente è per noi importante sinonimo di qualità. Nuovi strumenti comunicativi di facile e veloce consultazione per aiutare nella scelta e per snellire i tempi di consegna sono ora a disposizione in una veste grafica nuova e dinamica.

INNOVATION & TRADITION

Sveden means safety and reliability, innovation and tradition, respect for its roots and interest to expand into new countries.

Sveden is the result of a perfect union and can compete at all national and international market levels. The company manufactures and sells professional tools and items for the construction, agricultural and hardware sectors.

HISTORY

Sveden is a company in constant evolution. With the acquisition of the historic brand IL CAVALLO, which since 1850 has identified high quality products in construction and agriculture, and the most recent DTM brand acquisition, known for the famous spraying machines and tile cutters, is Sveden become a point of reference tools "Made in Italy". The company has its headquarters in Primaluna in the province of Lecco, region famous for working with metal.

WORK IS IN SAFE HANDS

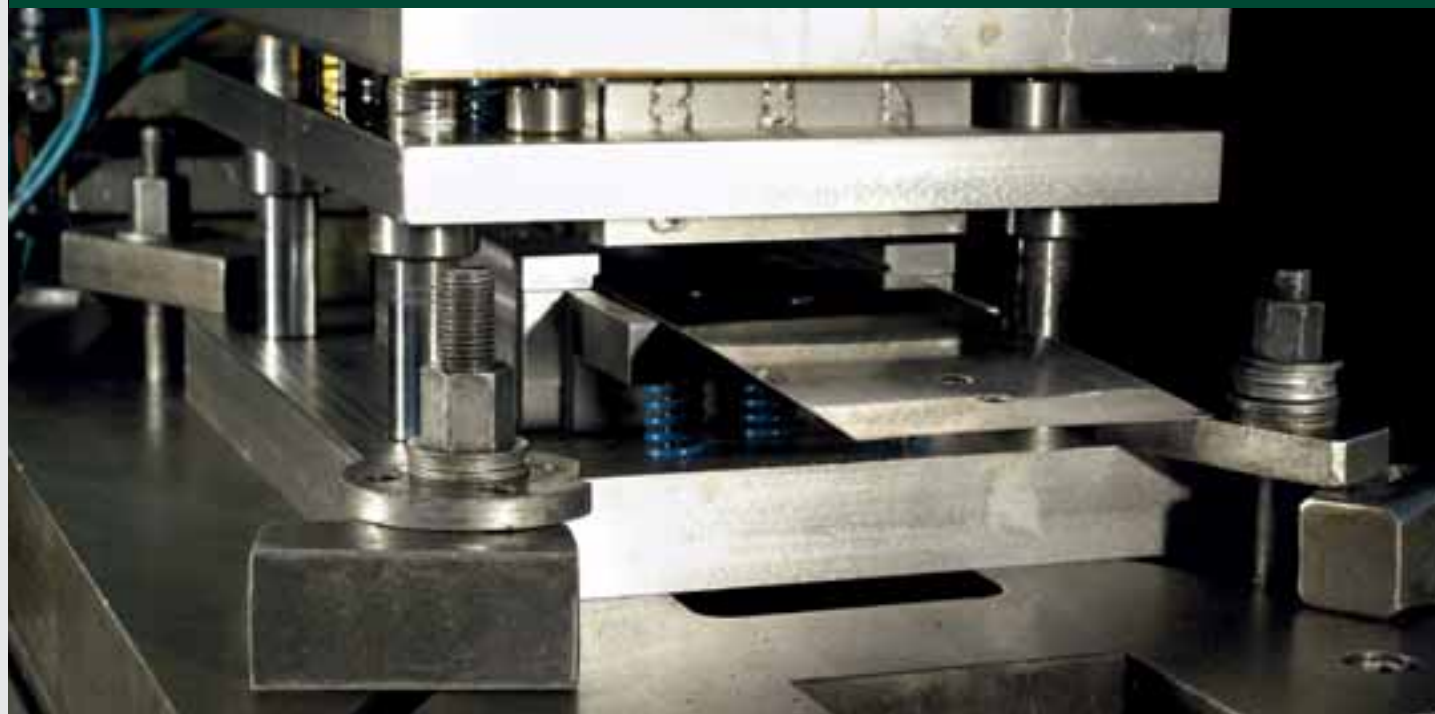

QUALITY AND TECHNOLOGY

Sveden with its own 50 years of history has gained a prestigious position in the building tools industry. The high quality of the products joined with the maximum care to the to the service allow us to maintain leader position in our field. Our goal is to "make life easier" for all the people using our tools, our mission is to create professional, resistant and usable tools. New challenges, state of the art technology, but in the end the significances are always the same, handicraft production, quality tests and the uninterrupted research for innovative solutions are the guarantee that always belong to the hallmark SVEDEN - IL CAVALLO.

PASSION & SERVICE

Our specialty products are tailored according to the requirements of our customers, who wisely choose our company, where they find strong passion and commitment among our staff.

Professional and customised assistance for every client, is as important as quality to us. New communication tools, which can be rapidly accessed in order to speed up the selection and delivery processes are now available in a brand new dynamic version.

MODERNITÉ ET TRADITION

Sveden intègre sécurité et fiabilité, modernité et tradition, amour de ses propres origines et ouverture vers de nouveaux horizons.

Sveden est une synergie parfaite et concurrentielle à tous les niveaux du marché national et international, une entreprise orientée vers la réalisation et la vente d'instruments et d'articles au service des opérateurs des secteurs du bâtiment, de l'agriculture et de la quincaillerie.

HISTORIE

Sveden est une société en constante évolution. Avec l'acquisition de la marque historique IL CAVALLO, qui depuis 1850 a identifié des produits de haute qualité dans le bâtiment et l'agriculture, la plus récente DTM marque, connue pour la fameuse tyrolien et coupe carreaux, Sveden est devenu un point de référence d'outils «Made in Italy».

La société a son siège à Primaluna dans la province de Lecco, région réputée pour le travail du métal.

LA FORCE DE TON TRAVAIL
ENTRE DE BONNES MAINS

QUALITÉ ET TECHNOLOGIE

Chez Sveden, nous avons placé la qualité des produits et des services à la clientèle au cœur de notre métier, et nos clients nous ont aidés à faire les choix les meilleurs.

La marque IL CAVALLO - synonyme de qualité et l'un de ces choix stratégiques - a intégré la gamme de nos produits, en contribuant à asseoir le professionnalisme de l'entreprise Sveden qui, en 1991, avait déjà acheté le site de Mongrando Biella, siège de production des articles appartenant à cette marque célèbre.

PASSION ET SERVICE

Sveden en 50 ans d'activité, a acquis une position de prestige dans les articles pour le bâtiment. Le niveau élevé de qualité et une attention constante au service de nos clients, nous permettent de maintenir ce rôle.

Notre mission est de « simplifier la vie » à ceux qui utilisent nos outils, notre méthode consiste à créer des produits, durable et fiable.

Les défis sont nouveaux, la technologie est avancée, mais les valeurs fondamentales sont les mêmes : la production d'artisanat, les test rigoureux et la recherche de solutions innovantes, garantissent la qualité qui a toujours caractérisé les produits SVEDEN - IL CAVALLO.

SINTEX PLUS

RESISTANCE AND DURATION

Thanks to the use of high-quality specialty materials, the new handle is resistant to impact and weathering attacks.

INTERNAL GLASS FIBER

The special section guarantees the correct rigidity by dampening the annoying effect of vibrations and rebounds.

EXCELLENT GRIP

Thanks to the ergonomic profile to the use of non-slip material, the new SINTEX-PLUS handle guarantees optimum and safe grip.

RÉSISTANCE ET DURÉE

Grâce à l'utilisation de matériaux spéciaux de haute qualité, la nouvelle poignée résiste aux chocs et aux intempéries.

FIBRE DE VERRE INTERNE

La section spéciale garantit la rigidité correcte en amortissant l'effet gênant des vibrations et des rebonds.

EXCELLENTE POIGNÉE

Grâce au profil ergonomique et à l'utilisation d'un matériau antidérapant, la nouvelle poignée SINTEX-PLUS garantit une adhérence optimale et sûre.

RESISTENZA E DURATA

Grazie all'impiego di materiali speciali di prima qualità, il nuovo manico è resistente agli urti e agli attacchi degli agenti atmosferici.

ANIMA INTERNA IN FIBRA DI VETRO

La speciale sezione garantisce la corretta rigidità smorzando il fastidioso effetto delle vibrazioni e dei contraccolpi.

PRESA OTTIMALE

Grazie al profilo ergonomico a all'utilizzo di materiale antiscivolo, il nuovo manico SINTEX-PLUS garantisce presa ottimale e sicura.
