

OpF - Feed through

31212005D

Corresponding to Tusonix 4302-680

Working voltage

Test voltage

Feed-through current

Insulation resistance

IEC category

Capacitance

Soldering conditions

Marking

300Vdc.

500Vdc 1min.

max 10A

min 10000 MOhm.

55/085/56

max 5pF

max 260 deg C

None.
