

SFP-1,25Gbit/s - LC

Transceiver Module

LC Connector

1. Features

- Compliant with Industry Standard RFT Electrical Connector and Cage
- 100Ω differential AC coupled CML Outputs
- SFP package with LC receptacle optical interface.
- Single + 3.3V Power Supply and TTL Logic Interface
- Compliant with 1.25Gb/s data link
 - 1310nmTx/1310nmRx
 - Distance: 20km
- EEPROM with Serial ID Functionality
- Extended Operating Temperature Range(0~70 degrees)
- Low EMI
- Class 1 Laser Product Compliant with the Requirements of IEC 60825-1 and IEC 60825-2
- RoHS compatible available

2. Application

- Gigabit Ethernet
- Fiber channel
- Switch to Switch interface
