

# bisoft PZE

## Staff Time Recording

Record and process staff times

### bisoft PZE

bisoft PZE stands for optimal recording and processing of attendance and absence times of your staff. Dynamic time plans, variable break models and administration of wage types and time accounts make time simply computable. In combination with administration of flexible working hours, graphic overviews and comprehensive evaluation records, you will obtain the flexibility necessary for efficient deployment of staff and sustained reduction of costs.

**bisoft PZE – Flexibility paired with attention to detail for internal accounting and calculation of products and process costs.**

### Advantages at a glance:

- Shift calculation (automatic and rotating)
- Flexitime accounts with total limits
- Interactive correction assistant
- Comprehensive reporting to your requirements
- Absence times administration (leave, illness, ...)
- Individual public holiday ruling
- Overtime and extra pay calculation
- Stationary and mobile recording can be combined
- Optional link-up to wage programs/PEP/cost calculation
- Clear structures – simple menu navigation
