

SPECIAL OFFERS

COMPLETE FILTER KITS MAXIMUM EFFICIENCY

Keep your machine in peak operating condition by following a comprehensive inspection and preventive maintenance program - including routine filter replacement. JLG makes it easy to order all the filters you need for your aerial work platform or telehandler by combining them into a convenient, single part number kit.

Plus, when you order filter kits in May and June, you'll save 15% off select JLG Engine Oil.

For a complete list of available filter kits, visit [Online Express](#)®.
